SUBJECT:

2018 FINAL BUDGET

DATE:

DECEMBER 12, 2017

CC:

COUNTY ADMINISTRATOR PETE FRASER

COUNTY FINANCE DIRECTOR KRISTEE COBERLY

Attached please find the final 2018 Budget for the Department of Human Services for your review.

The total budget request for 2018 is \$10,047,227 which is an increase of 0.92% from the 2017 approved budget of \$9,284,240. This budget allows DHS to maintain a 40 hour week with no salary increase for most of our staff. The budget reflects an increase in mill levy for DHS from .75 to 1.50 mills, which will generate \$513,535 from property tax revenue, which is based on current estimated assessed valuation of \$343,256,500. The budget reflects DHS budgeting to what the county can provide based on the 1.5 mill.

This general budget does not include Single Entry Point program expenditures and revenue, as those are now reflected separately. The Single Entry Point restricted fund balance is also now separate from the general DHS fund balance and there continues to be a healthy amount in that program of over \$500,000.

I anticipate that DHS will begin 2018 with a zero (0) fund balance, however, it is hoped that with an increase in mill levy we can begin to restore our fund balance that has been depleted over the past 10 years or so due to the low mill levy we have been provided. This will continue to be a priority for the years ahead.

Retention of staff will also be a priority, however, in order to accomplish this we need to look at raising the salaries of non-degree staff to the entry level salary of other county departments. This disparity creates many issues for DHS.

DHS continues to have many successes as we collaborate with other agencies in the community by our participation. We are involved with drug court and the drug free community, the county fatality review team, community supervision team, early childhood learning, adult and child protection teams, and patient advocacy groups. We have had many successes with achieving permanency for children through adoptions, and assisting adults and families to improve self-sufficiency. There are many other areas that DHS impacts positively which we will continue in the coming year.

Your consideration and approval of this budget request would be greatly appreciated.

LAS ANIMAS COUNTY DEPARTMENT OF HUMAN SERVICES

2018 PRELIMINARY BUDGET NOTES

Salary Schedule:

- 1) The 2018 salary matrix reflects a 0% cost of living increase for program staff.
- 2) The budget reflects one (1) Case Aide vacancy in 100% Single Entry Point Unit, and we will continue the process to fill that position. Due to the excess restricted fund balance, we have included a salary increase for SEP staff. Our hope is to eliminate the frequent turnover of casework staff by offering compensation similar to other agencies that require bachelor level staff.
- 3) Other vacancies include one (1) Child Welfare Case Aide position, and one (1) Eligibility Technician due to a recent resignation. These vacancies are included in the budget.
- 4) The budget reflects a payout amount of unused annual leave for anticipated retirements.
- 5) The final budget reflects a 0% increase in health insurance for each employee.

County Administration:

The current State allocation for Regular Administration (includes Medicaid funding) is \$710,071 which is an increase of 12.28% from last year. The required maintenance of effort (MOE) for the current State Fiscal year is set by the Colorado Department of Human Services in the amount of \$117,760.

Child Welfare:

- 1) The current state allocation for child welfare is \$791,752. Included in this amount is a holdout of \$29,166 for a Mitigation Pool available to small and medium size counties if costs exceed allocation block.
- 2) The Child Welfare block includes out-of-home placement (foster care), residential treatment centers, children rehabilitation residential facilities, burials, subsidized adoptions, special case services, and special circumstances child care.
- 3) Based on Senate Bill 15-242, the Child Welfare Staff funding from the Workload Study for the 1 (one) additional caseworker hired in 2016 is \$55,728 which is reimbursed at 90% with a 10% county match of \$5,573.
- 4) The Title IV-E Waiver allocation is \$19,508.

5) The Child Welfare Hotline allocation for FY17-18 is \$0.

Child Care:

- 1) The current State allocation for Child Care services is \$273,931 (\$2,668 less than last year).
- 2) The County has maintenance of effort (MOE) requirement for Child Care of \$29,428 of **10.74%**. This MOE is reduced this year and is set by CDHS.
- 3) The program expenses are reimbursed at a rate of **89.26**% for administration and for client payments and quality initiative services.
- 4) The change in County MOE and reimbursement rates is due to a change in the allocation formula this year.
- 5) The Infant/Toddler Quality Care Grant ended on 9/31/2017. There will be no pass through monies available to child care providers in 2018.

Core Services:

The Department receives five different allocations from the State that constitute the Federal/State revenue source. The allocations are 80% dollars at \$87,498 and 100% dollars at \$159,469 for a total allocation of \$246,967. The County must spend the 80% allocation before the 100% allocation.

In addition, the department receives three 100% allocations to cover specific program components (Special Economic Assistance \$3,754; Intensive Family Therapy/Mental Health \$18,044; and Substance Abuse \$27,067) for a total of \$48,865.

2) The Department currently has three contracts with several outside vendors to provide specialized services for various components of the Core Service Program. These contracts expire at the end of the State's fiscal year. The contracts are as follows: Clinical Therapists \$16,500; Spanish Peaks Mental Health, \$10,000; and Signal Behavioral, \$19,273.00.

Food Assistance Fraud:

1) The Food Assistance Fraud is reflected in the Regular Administration line item. The program administration expenses are reimbursed at an increased rate of 80% of actual expenditures.

Food Assistance:

1) There is no allocation for food assistance benefits, as this is an entitlement program and is 100% federally funded.

Child Support Enforcement:

- The Department receives reimbursement for Child Support Enforcement expenses at a rate of 66% of the actual expenditure. The county will continue to receive state incentives based on a variety of factors, including the meeting of collections goals, in relation to other Colorado counties. Incentives collected in 2016 totaled \$51,898 which exceeded the 2016 County MOE requirement.
- 2) The Department currently has one service contract for this program area. The service contract is for legal services.

Adult Protection:

1) The appropriation for Las Animas County will be \$114,711 administrative funding, plus \$6,873 for adult emergency services such as shelter, food, and clothing for a total allocation of \$121,584. Our allocation is a decrease of \$4,909 from last year. This is funded at 80%.

Low Income Energy Assistance Program (LEAP):

- 1) The State LEAP allocation for 2017-2018 for administration is \$39,820 plus outreach allocation of \$6,978 for a total allocation of \$46,798. The program administrative expenses are reimbursed at a rate of 100% for actual expenses up to the allocation amount.
- There is no allocation for client benefits, as this is an entitlement program funded at 100%. The minimum household benefit is \$300.00 and the maximum benefit is \$1,000.00 for the 2017-2018 LEAP season.

Colorado Works (TANF):

The Department's current TANF block grant is \$1,026,173. The required maintenance of effort (MOE) is set by the Colorado Department of Human Services and is set for the current State Fiscal year in the amount of \$151,612. In addition to the current allocation, the Department has approximately \$393,070 in reserves held by the State. The County MOE is set by the State at approximately 15%. The county will pay the MOE regardless of

whether the allocation is spent, however unspent funds can be transferred out.

Based on SB11-124 legislation enacted, counties can retain 40% of SFY allocation in TANF reserve account. The reserves represent unspent TANF allocation funding the counties can keep and roll over into the next fiscal year as long as it does not exceed the 40% of TANF reserve limit. Anything exceeding 40% reverts back to the state. The unspent allocation and current reserve amount of \$393,000 can be used to mitigate Child Welfare and/or Child Care over expenditures, in addition to other supportive services to TANF clients.

Old Age Pension:

1) This is an entitlement program. The County is reimbursed at 100% of the program costs by the state.

Aid to the Needy Disabled:

1) This is an entitlement program. The County is reimbursed 80% of program costs by the state.

Home Care Allowance:

1) This program is interrelated to the OAP and AND programs, the County is billed for 5% of Home Care costs for the clients who are eligible for this program.

Single Entry Point:

- 1) This program is also known as Options for Long Term Care. The SEP program provides case management services and alternatives in order to maintain clients in their home versus placement in a nursing home facility.
- 2) The 2017 2018 maximum allocation for this program has increased to \$856,537 and is 100% state funded by the Department of Health Care Policy and Financing.
- 3) Las Animas County is the designated Single Entry Point Agency that incorporates Las Animas and Huerfano counties.
- 4) Las Animas County then subcontracts with Huerfano County for case management of their county cases.
- 5) Las Animas County maintains a SEP reserve amount which can only be used for Single Entry Point expenditures.

Medicaid Transportation:

This program is a component of the Medicaid Program. A client that is on Medicaid is eligible for the Medicaid Transportation Program. Clients submit requests for reimbursement for gas expenses for travel to seek medical attention within and outside the county. The County submits billing for clients who are traveling via private vehicle for medical appointments. We have continued to make higher budget projections due to numerous requests for Medicaid Transportation. This program is 100% federally reimbursable by Medicaid. The current reimbursement rate is \$ 0.41 cents per mile.
